

QUIT LEARNING
FRAMEWORKS
LIKE THERE IS
NO **TOMORROW**

MihaelaGhidersa
dev@Centric Romania

**WE ARE DEVELOPERS,
WE NEED TO STAY
UP TO DATE WITH
TECHNOLOGY**

**BUT WE ARE WASTING
TIME ...**

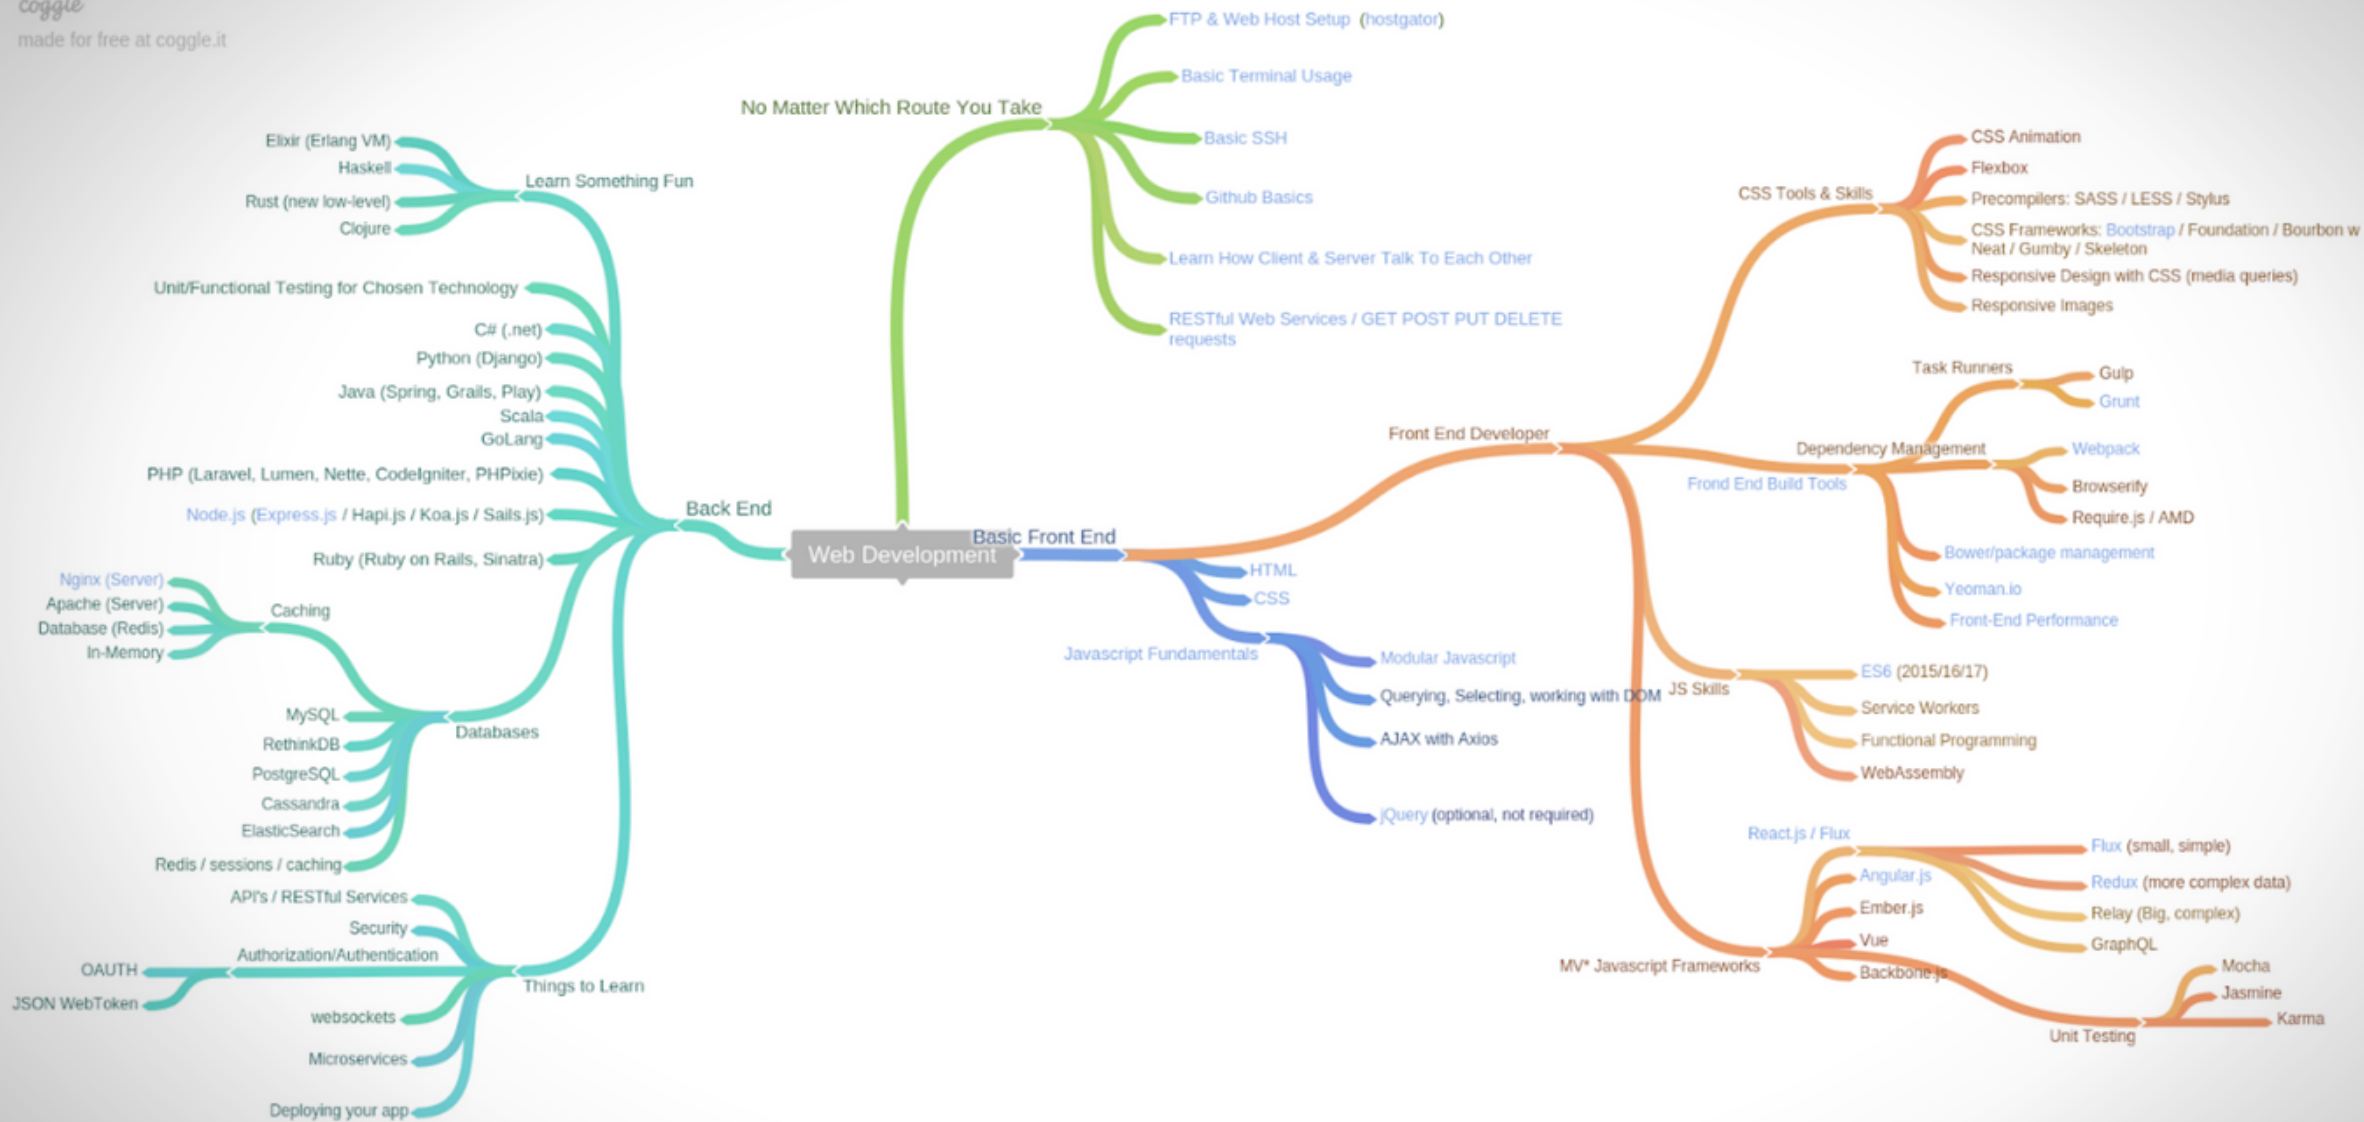

BURN THE HERETIC

**WE TEND TO
SPEND OUR TIME
TRYING OUT
THE LATEST STUFF**

...

**THEN ARGUING ABOUT
THEM**

**AND YET ... WE ARE
WASTING TIME ...**

THE **THING** ABOUT FRAMEWORKS

**WHY WE DO ,
WHAT WE DO ,
HOW WE DO?**

**THERE IS GOOD
AND
THERE IS BAD ,
IN USING FRAMEWORKS**

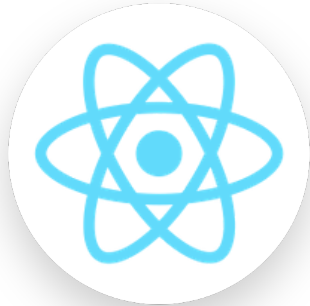

FRAMEWORKS

- **ABSTRACTING AWAY BORING, LOW-LEVEL CODE**
- **PROVIDE REUSABLE SERVICES THAT ENCAPSULATE COMPLEX FUNCTIONALITIES**

FRAMEWORKS

- **EMPHASIZE DESIGN
REUSE OVER CODE REUSE**
- **FRAMEWORKS
CULTIVATE IGNORANCE**

THE NEVER ENDING DEBATE..

**IS ALL ABOUT GOING
TO THE BASICS**

**“LEARNING A
FRAMEWORK” WITHOUT
PAYING ATTENTION TO THE
PATTERNS ...
IS JUST NOT ENOUGH.**

“ANY ACT OF CREATION IS A LEARNING OPPORTUNITY”

- **BEGINNER**
- **TRYING TO FIND A JOB**
- **ALREADY ON A PREDEFINED PATH ...**

DEVELOPER

- **WRITE READABLE CODE**
- **CHECK DESIGN BASICS**
- **LEARN HOW TO WORK WITH HUMANS**
- **CHECK OLD COMPUTER SCIENCE WISDOM**
- **STAY CURIOUS**
- **SAVE A DOSE OF SKEPTICISM**

APPLICATION

- **USABILITY**
- **RESPONSIVENESS**
- **LATENCY**
- **STALENESS**
- **CONSISTENCY**
- **RELIABILITY & RESILIENCE**
- **SCALABILITY**
- **DELIVERY**
- **ABSTRACTION**
- **ACCESSIBILITY**

**ALL PROJECTS SEEM
DIFFERENT UNLESS
YOU LOOK UNDER
THE SURFACE**

- **DESIGN SMELLS**
- **DESIGN PATTERNS**
- **DEALING WITH PEOPLE**

THE CRUEL TEST OF TIME

***“THE FUTURE LIFE EXPECTANCY OF
TECHNOLOGY IS PROPORTIONAL TO
ITS CURRENT AGE. EVERY EXTRA
PERIOD OF SURVIVAL IMPLIES A
LONGER REMAINING LIFE
EXPECTANCY.”***

- LINDY EFFECT -

**PRIORITIZE WHAT TO
LEARN AND WHEN, IT'S
KIND OF LIKE "BUYING
STOCKS"**

80/20

**LEARN FRAMEWORKS
FOR A JOB!
INVEST IN THE
FUNDAMENTALS
FOR A CAREER!**

**IF WE DISAGREE,
THAT IS OK...**

**AS LONG AS WE
DISAGREE IN A WAY
THAT HELPS US GROW.**

“Take it with a grain of salt”

Me:

KEEP ON
BUILDING,
LEARNING
AND BE
EXCELLENT !

THANK YOU!
