CODE OF CONDUCT

ANTI-HARASSMENT POLICY

ITNEXT Summit is dedicated to providing a harassment-free conference experience for everyone, regardless of gender, sexual orientation, disability, physical appearance, body size, race, or religion. We do not tolerate harassment of conference participants in any form. Sexual language and imagery is not appropriate for any conference venue, including talks. Conference participants violating these rules may be sanctioned or expelled from the conference without a refund at the discretion of the conference organisers.

Harassment includes offensive verbal comments related to gender, sexual orientation, disability, physical appearance, body size, race, religion, sexual images in public spaces, deliberate intimidation, stalking, following, harassing photography or recording, sustained disruption of talks or other events, inappropriate physical contact, and unwelcome sexual attention. Participants asked to stop any harassing behaviour are expected to comply immediately.

Exhibitors in the expo hall, sponsor or vendor booths, or similar activities are also subject to the anti-harassment policy. In particular, exhibitors should not use sexualised images, activities, or other material. Booth staff (including volunteers) should not use sexualised clothing/uniforms/costumes, or otherwise create a sexualised environment.

If a participant engages in harassing behaviour, the conference organisers may take any action they deem appropriate, including warning the offender or expulsion from the conference with no refund.

If you are being harassed, notice that someone else is being harassed, or have any other concerns, please contact a member of conference staff immediately via phone (WhatsApp, call, SMS):

Carmen Hazeleger: +31 6 25 39 53 28

Gino Heetkamp: +31 6 43 81 54 36

Conference staff can be identified by distinct staff badges. Conference staff will be happy to help participants contact hotel/venue security or local law enforcement, provide escorts, or otherwise assist those experiencing harassment to feel safe for the duration of the conference. We value your attendance.

CODE OF CONDUCT

- I. I am an attendee at ITNEXT Summit, learning from and sharing with other attendees in an effort to better myself and my industry. I co-create the experience with fellow attendees. I am prepared to give my energy, presence and sensitivity to creating the best possible experience for myself and others.
- II. I am coming to ITNEXT Summit to interact with people. I understand that imagery and language which is suggestive or derogatory will offend and make people uncomfortable. I also understand that people may have boundaries and sensibilities different from my own. I will accept without question when informed that something is offensive or unacceptable in the context of the event.
- III. I will never intentionally harass or offend another attendee regardless of gender, sexual orientation, disability, appearance, size, race or religion and will not abide another attendee being harassed or offended. If I am aware that anyone is uncomfortable or unsafe, I will notify those giving offence and the ITNEXT Summit event organisers.

- IV. If I am offended or harassed, I will inform people around me who make me feel safe and the event organisers. If I feel safe, at my discretion, I will inform those giving offence of the specific actions with the hope that the other party is well-intentioned and ignorant, but I am under no obligation to do so.
- V. I understand that people are different and I attempt to be forgiving of others actions at the level of their sincere intent, but my priority is protecting my safety and the safety of others. I will act without hesitation or reservation until there is no question of the safety of all parties.
- VI. I trust the ITNEXT Summit organisers and attendees will co-create the best possible experience for everyone involved, as I will. I believe that Software Development is about empowering people and I will not forget I am empowered to create a safe and nurturing environment. If I or any other attendee violates this aspect of the event, I expect the conference organisers to protect the attendees by direct action, including expelling those in violation and contacting the proper authorities.
